Great stop with some Ultimate Outsiders, friends & Ranger EJ at Dreher Island this morning! Off to Musgrove Mill! See you there at 10:15 a.m.

Claudia Crowe Martin WOW. Just curious.

My fiancée & myself did ultimate outsider twice and when the van got to Croft State Park today they only gave him (who is an employee) a couple pens. They even gave people that were not ultimate outsiders bags of goodies.

Are employees treated differently than non employees ?

All the money on gas and camping we ALL spend and this is the treatment he got !

Trish DiMatteo Claudia did he speak up? They were very generous and I'm sure should have given him some too!
