Mr. Pitts –

I understand that you have received my resume for Governor Haley's consideration of my qualifications to serve her and the State of South Carolina. You will see from the resume that I have spent my entire career in transportation working for state DOTs, Congress, the federal government, MPOs, and for the past 14 years, as head of AASHTO's policy and government relations division. I also worked for the private sector side with the American Trucking Associations. I believe that I have the leadership skills and breadth of knowledge in transportation that would be beneficial to SC.

I also want to note that my husband and I built a home at Edisto Beach three years ago. We are looking forward to becoming full time residents of South Carolina in the near future, and because we have family across the state in Greenville, Columbia and Charleston so we would welcome the opportunity to be closer.

Finally, I also wish to express my sadness regarding Bob St. Onge's resignation as Secretary of SC DOT. He was a well-regarded member of AASHTO and we certainly appreciated his contributions to South Carolina.

Please feel free to contact me if you have questions or would like additional information.

Best regards, Janet Oakley
