Dear Governor Nicki Haley:

My name is Patricia Roach and I live @
Creeside Apts. in Easley. 864-859-1007Here is my plea for help - and for Honesty from
Pickens D.S.S. and Robin Libby.

My daughter Karen R. Prescott is a client of
Family Services and court. She received a
letter for jury trial on July 20-2016. The summons
is full of lies and discriptions - DSS will not
talk to me, because Karen told them not too. She
knows I'll tell them the truth - So here goes:
Why go to Court on lies by Karen?

1. She is 100% responsible for what Happened to
Gavin and He is an honest child who'll pay same.
2. Karen has not had a stroke. She has an
ANOXIC Brain injury caused by an overdose of
Methadone at a place taken there by her sister
Amelia Briesch who has a long criminal record
for drug and has served time in S.C. State Prison.
Yet DSS chooses to give her all the information
on Gavin Cole Chambers and none to me or my
sons. Amelia has been on Methadone for 9 years.
and is very mean and I am willing to talk
to someone about all this personally. Karen is
on the Medical Hold line and cannot get narcotics ^{ever} again,
But She is getting them here at the Apts. Karen is so
very mean to me - I am 80 yrs. plus 7 months old. She is
very mental ill and drug user. I need help in

Pg. two.

in getting Karen in Rehab & assisted living. Page two

I have had 2 heart operations, Skin cancer now -
Lost my hearing in Dec. '15 in my right ear,
yet Karen screams to me. I can't take it.

Karens Dad and sister Amelia are too
very wicked and two-faced people - I will
give you their names and ph. #s so someone
in your office of mental health can call
and ask about her. I beg you I want her
and my sons want her out of my house
and if one day She gets better I may consider
her living near me - Right now - NO

I am begging for help as I am not to be driving
any where but Easley.

Please - Please help me "Dss & the lies."
Remember Karen has not had a stroke. She
tells me every single day She is going to kill
herself -

I'll be getting the Hosp. and Drs. names ready for help.

Again help me - My sons live - one in
Dubai and the other Raleigh, N.C. They have 3 college
degrees each - and neither has ever gave me trouble.

With Great respect - I am Pat Roach below the
poverty level and I am a white American.
