Thanks. Please me know if it does not arrive today. Would mean two straight checks have been lost. If so, I will send certified mail tomorrow morning.

I received all of your voicemails and emails and apologize for the delay in getting back to you, but I have been in committee meetings all afternoon. I just checked our mailbox, and your check has not arrived. I will contact our postal director right away to check with him as well. As soon as the check arrives, we will let you know.

Hi all. Got the documents. Would you mind sending over an electronic copy of the Nov. 13, 2014 email from Katie Philpott to Mark Nix from 2:06 pm that has a table in it. The printout got cut off when you printed it.
