Josh, Thank you for the email; we will be discussing the grants with the Governor this week. If you have anything you would like us to consider during the discussion, please send it my way. Otherwise, I will follow-up with you soon. Best, Josh \_\_\_\_\_

I don't think a decision has been made on this one yet - I'm copying Josh Baker on this, who will be on-point for this. Thanks.

Hi Christian, I hope all is well, and that you are making plans to enjoy the Labor Day weekend. Teach For America- South Carolina recently launched an Early Childhood Education Initiative this summer. The goal of this initiative is to further identify opportunities to support our school and district partner's with their ECE talent needs. I'm eager to share more the next time Josh and I are in Columbia. In the meantime, we were curious if South Carolina is planning to apply for the recently released federal Preschool competition? If so, we'd love an opportunity to sit down with you in the coming week or so to learn more. Looking forward to hearing from you soon. Best, Charles
