2000-01 Palmetto Fellows Scholarship Awards

The Palmetto Fellows Scholarship Program is a merit-based scholarship program designed to recognize the most academically talented high school seniors in S.C., encourage them to attend college in the State, and help retain talented minority students who might otherwise pursue studies outside the State. Each Palmetto Fellow may receive a scholarship of up to \$5,000 per year for a maximum of eight full-time terms. The scholarship must be applied towards the cost-of-attendance to pursue the first baccalaureate degree at a participating public or private senior institution in the State.

In order to be eligible to apply for a Palmetto Fellows Scholarship, a student must meet the following minimum academic requirements: (1) score at least 1200 on the SAT or 27 on the ACT; (2) earn a 3.5 GPA on a 4.0 scale at the end of the junior year; and (3) rank in the top five percent of the class at the end of either the sophomore or the junior year. The selection process is very competitive since the Commission on Higher Education usually receives more qualified applicants than available funding.

For the 2000-01 academic year, the Commission on Higher Education received 1,165 Palmetto Fellows Scholarship applications and 873 new scholarships were awarded. All applicants were offered a scholarship for attendance at a public college or university. However, based on available funding levels, eighteen applicants were not funded a scholarship for attendance at a private college or university.

The following report provides: number of new and continuing Palmetto Fellows; African-American participation; Palmetto Fellows by classification; retention statistics; Palmetto Fellows by institution; applicants by county of origin; and, recipients by county of origin.
