Jay,

Just wanted to circle back and let you know that ESH had one change request to your quote to add the word in red below. My colleague, Marie Sanderson was with the governor and your team last night and got their approval in person to go ahead with this quote.

GOVERNOR NIKKI R. HALEY: "Working together - with legislators, educators and business leaders - we have invested in technology **and broadband** for students in every part of our state, not just in the wealthiest districts, because it's an investment in South Carolina's workforce, businesses and future success."

Thanks so much for your help! Let me know when you can share details about next week's announcement.

Thanks!  
Larissa

Hi Larissa,

Our press team sent this over while I was on the phone with you. You'll find a quote for EducationSuperhighway and an updated headshot of the Governor below as well as the most recent K-12 Technology funding information.

GOVERNOR NIKKI R. HALEY: "Working together - with legislators, educators and business leaders - we have invested in technology for students in every part of our state, not just in the wealthiest districts, because it's an investment in South Carolina's workforce, businesses and future success."

Headshot: <https://www.flickr.com/photos/governornikkihaley/albums/72157657844990755>

In the FY 2016-17 Budget passed by the SC General Assembly this June:

- Governor Haley recommended and the General Assembly appropriated \$29 million for K-12 technology. \$29 mil also appropriated in FY 14-15 and FY 15-16.
- Governor Haley recommended and the General Assembly appropriated \$3 million for mobile access to high speed internet for underserved children.

Thank you giving us some additional time to get you this information.

Best,

Jay

No problem, thanks so much!

Yes, but let me know your timeline - we can keep the quote she has in there from last year unless you'd like to have Lt. Gov. McMaster give a quote instead?

Hi Larissa,

I don't have a specific response for you yet but it is still on our radar. The Governor's schedule is very tight as of now due to her nomination. Is January 3<sup>rd</sup> still the drop dead date for follow up on this matter?

Best,

Jay

Jay,

Hope all is well and you had a great Christmas!

Just wanted to check in on this –

Thanks so much for your help!

Hi Larissa,

Thank you for reaching out. We greatly appreciate the recognition and support from EducationSuperhighway in identifying Governor Haley as a leader in K-12 connectivity. I will get back you next week with an answer if that timing is ok?

Hope you have a great holiday season as well!

Best,

Jay

Jay,

Swati Patel asked me to follow up with you on this request.

We work with EducationSuperHighway(ESH), they are releasing their second annual State of the State report on January 17<sup>th</sup> and they were planning on keeping Gov. Haley and her quote from last year featured in the South Carolina snapshot (see attached) but I wanted to see if you thought it would be best to start working with Lt. Gov. McMaster's and include him instead? I don't think I've seen any updates on exact timing of when the governorship will move over to her but I know you have a lot going on and would prefer to engage his team if that makes more sense to you and makes it easier as well.

Happy to discuss further on the phone or send you additional information, just let me know what would be most helpful.

Thank you so much, have a great holiday season and a happy new year!  
Hope to see you soon,  
Larissa
