AMENDED--NOT PRINTED IN THE HOUSE

Amendment No. 1--L:S-RES\LEGIS\AMEND\719R003.KAD

June 3, 1998

S. 719

Introduced by Senator Jackson

S. Printed 6/3/98--H.

Read the first time June 3, 1998.

A CONCURRENT RESOLUTION

TO DIRECT THE DEPARTMENT OF ARCHIVES AND HISTORY AND THE DEPARTMENT OF TRANSPORTATION TO CAUSE TO BE ERECTED ALONG POE AVENUE NEAR THE FORT MOULTRIE NATIONAL MONUMENT ON SULLIVAN'S ISLAND A HISTORICAL MARKER THAT RECOGNIZES THE ROLE OF SULLIVAN'S ISLAND AS A POINT OF ENTRY OF AFRICAN-AMERICANS INTO THIS COUNTRY.

Whereas, Sullivan's Island has been recognized by some historians for its role as a point of origin for the entry of African-Americans into this country, as more than 200,000 slaves arrived there between 1700 and 1775; and

Whereas, an appropriate marker should be placed on the Island to officially recognize its historical significance to African-Americans as well as to the general population; and

Now therefore,

Be it resolved by the Senate, the House of Representatives concurring:

That the members of the General Assembly to direct the Department of Archives and History and the Department of Transportation to cause to be erected along Poe Avenue (State Secondary Road 908) near the Fort Moultrie National Monument on Sullivan's Island a historical marker that recognizes the role of Sullivan's Island as a point of entry of African-Americans into this country.

RECOMMENDATION

It is recommended that urban and rural transit agencies receive one quarter of 1998-99 State Mass Transit Funds (State gasoline tax funds) to match Federal Transit Administration dollars allocated October 1, 1997 (Federal Fiscal year 1997-98). The staff is directed to review funding allocation in the Mass Transit Program and report back to the Commission with recommendations on allocations for the remainder of the year at the September Commission Meeting.
