Subject: RE: Sen. Bryant Constituent Request

Good Afternoon Danny,

We had discussed some language to address Mr. Bailey's issue.

I have three suggestions:

One, the portion in parenthesis indicates where an option in the language:
Amend Section 9-1-1650 by adding "Lump sum payments may be paid before ninety days if the member presents evidence demonstrating an extraordinary and immediate necessity of the funds, such as a family medical crisis, (at the Board's discretion or at the Director's discretion.)"

-With the above option we may have to investigate whether this creates a right that must be given procedural due process.

Two:

Amend Section 9-1-1650 by adding " Lump sum payments may be paid sooner than ninety days where the member can demonstrate a family medical emergency necessitating interstate travel. This need may be shown by a letter from the out of state physician."

-With this option the circumstances are more narrow and we have defined the necessary evidence which likely avoids the need for an appeal process because there is no discretion.

Three:

Amend Section 9-1-1650 by changing the lower bound from ninety days to thirty days or another lower amount.

Please call this gentleman and let him know that PEBA cannot process his lump sum request prior to the 90 day period. The law simply won't allow it, according to PEBA. It's in 9-1-1650, unless he TERI's, in which case it's in 9-1-2210. Now, if you find out different details, then we can take another run at it.

Peggy,

Sidney M. Bailey is retired from the Anderson County Sheriff's Department. He has asked for a lump sum of his retirement and was told it would take 90 days. His wife has cancer and they have been traveling to LA for her treatments. He wants to know if his request can be expedited. His contact numbers are home - 864-225-4185, cell - 864-844-6532. I would appreciate an update as you work with Mr. Bailey so that I can keep Sen. Bryant informed.

Please let me know if I can be of further assistance.

Many thanks,

Debbie
