Subject : FW: No more refugees

Dear Governor Haley,

Please see the email below to Spartanburg County Council that expresses additional concerns from our citizens about the South Carolina refugee resettlement program. It is County Council's understanding that you have the sole authority over the State's participation in the federal refugee resettlement program. As I shared in my phone message to you, County Council is concerned about the safety of our citizens. It would be helpful to me to speak with you on behalf of County Council to have a better understanding of the current status of the State's program.

Your assistance with providing a response to this citizen's concerns is greatly appreciated.

Sincerely,

Jeffrey A. Horton, Chairman
Spartanburg County Council

Please vote to end Syrian or Iraq refugee resettlement in Spartanburg! These people can not be vetted. A letter to our Governor is not good enough!

Thank you, Mary Catena
