---

Senator Young,

At the May 21<sup>st</sup> DSS Oversight Hearing, Sen. Lourie referenced a document from January 7, 2009, titled Office of Community Services Reallocation Plan. The Senator referenced this document as the last standards for caseload sizes for economic and human services.

In order to accurately answer his follow up question, DSS needs to research the document Senator Lourie referenced on May 21<sup>st</sup>. DSS has been unable to locate the document in question. Could you please assist us in obtaining a copy of this January 7, 2009 document?

DSS Follow up items from May 21<sup>st</sup> will be sent to you and Chairman O'Dell this Friday.

Thank you,  
Katherine
