Hi Christian –

I'm going to circle up with Charles McDonald to look at dates tomorrow, and I'll be back in touch. I know that I will be at a conference that week, unfortunately. Are there other possibilities? We certainly don't have to go to the same school – we could look at one in Orangeburg, for example.

Best –

Hi Josh,

Following up on that quick call from a couple days ago...would 10:15AM on October 8th work for the Governor to visit the same school we had slotted last time? It would be a 45-minute event again, if that works. Let me know when you get a chance – thanks again.
