Subject: It's not too late to join the fight!

Dear Tony,

There's still time to start or join a team for the Alzheimer's Association Walk to End Alzheimer's®. Last year, more than 450,000 people joined together, raising over \$67 million to advance the care, support and research efforts of the Alzheimer's Association. But our work is not done — and we won't back down until we defeat this disease. We need your help this year.

Joining the fight is as easy as 1-2-3!

Sincerely,

Wendy Folk Vizek
National Director
