Dear Governor,

**This summer the kids in our summer program are doing an educational project and would like your help.**

We are learning about the 50 states and asking that you send us any information you may have about your wonderful state.

**We will have a map of the United States and pin your state after we receive something from you.**

We hope to have something from each state by the end of summer.

Thank you for taking the time to read this and we hope you will participate in our project.

Sincerely,

Mary Rittenhouse

Director
