Subject: Trump comments/BuzzFeed News question

Chaney,

I'm with BuzzFeed News. I'm sure you saw [the Washington Post story](#) today on Trump's lewd 2005 conversation that was caught on a hot mic.

Can you tell me what Gov. Haley's take on these comments is? Does this impact how she plans to vote in the fall?

We're putting out a story asap, so any information you can give me this evening will be greatly appreciated. My cell number is [801 995 8396](#).

Thanks,
