Looks good – couple of minor tweaks.

In para 1, “with the support of the Governor’s Office” vs. “under the supervision of”

Then for the quote:

“South Carolina is excited about Pay-for-Success because we see public-private partnerships as the best way to bring innovative solutions to government. This is another reason **to** for South Carolina to celebrate as we move to the national forefront in creatively finding ways to improve maternal and child health.” – Governor Nikki Haley

Thanks.

Hi Christian,

I've attached some text that we'd like to use for the PFS Project Fact Sheet and the website that we'll be putting up here. Could you please review whenever you have a chance and let me know your thoughts. I pulled the quote from the press release, but if you prefer we use a different one, that's fine.

Thanks!

-Erica
