Hi Chaney,

Will Governor Haley have any availability for a couple of questions after the 10 AM meeting? Depending on what's said in the meeting, I was looking for a couple of questions answered on unspent state department funds and the 3% budget cuts. I would have asked sooner, but I noticed I'm not getting the news releases. Can you please add me to the distribution list? Also, could you forward me the executive order issued yesterday on the unspent funds/dept. carry over?

Thanks so much,
