---

Just got the OK this afternoon. So we're OK to apply, and we'll designate DSIT as lead. We can talk later about the details. Good luck with the Senate.

Christian,

I see that Tom Fletcher responded to your questions last week. Please let me know if you any additional information to move forward. I have asked Tom and his staff to begin work on completing the grant application.

Also, I have attached two letters from West Virginia and Wyoming that were used to as letters of state designation. Please let me know if you need anything else or would like to further discuss. Thanks, Jimmy
