Katherine,

I was hoping to talk with Gov. Haley to ask her in person to speak to a group in August. They asked me to ask her. It is the Hunters and Landowners for the Hungry of South Carolina – Annual Banquet. We generally have 400-500 people in attendance.

They are looking at Saturday, August 8th, 2015.

They are meeting tonight and I will just tell them I am working with her schedulers to get a meeting with her and they are considering the request. Is that ok?

Please come and see me today.

Thanks,

Shane
