ADJOURNMENT

It was moved by Council Member Spooner and seconded by Council Member S. Davis to adjourn the Special Meeting of County Council. The motion passed by unanimous voice vote of Council.

The meeting adjourned at 8:33 pm for the execution of documents.

PUBLIC DISCUSSION

Ms. Celia Eade, residing at 134 Old Wagon Road, Moncks Corner, South Carolina, addressed Council and presented the following concerns in regard to Ordinance No. 05-05-20:

- Giving away animals poses many problems.
- Many animals are sold to Pit Bull rings for bait and many are taken into unscrupulous research places.
- The puppies and kittens are not always placed in good homes. The sellers do not screen for good homes and do not have guidelines for such screening as a rescue or shelter does.
- Over 50% of purchases are impulse buying and over 50% come back to a rescue or shelter.
- It has been documented that close to 100 cases of animals that were purchased at the flea market were returned to the shelters in horrible condition.
- They do not spay or neuter, no vaccinations or health care or microchipped.

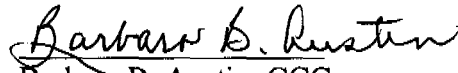

SPECIAL COUNTY COUNCIL MEETING

July 11, 2005

Page 3

- A business license or a pet license is not required in Berkeley County. Only one person at the flea market is a legitimate retail licensed pet dealer.
- Most of the people selling the dogs and cats at the flea market are backyard breeders.
- Many state laws are broken at the flea market. There is no system to check for a valid rabies certificate. It has become a haven to sell pit bull puppies and they are sold for under market value.
- The state law mandates that fresh clean water be provided everyday, and typically that does not happen.
- There are pit bulls being walked on retractable leads. I have provided an incident report from DHEC that indicates a gentleman had a dog on a leash and the dog bit a bystander. The dog did, however, have a rabies tag.

We have waited for a year for this ordinance to be passed. We are asking for immediate enforcement so the animals do not have to suffer or at least require that they meet the same guidelines that shelters must. If they have to pay for all that is required, the breeding will stop and the overpopulation which costs the County over \$20,000 per month for the shelter. There are many places to buy a dog or rabbit other than a flea market.

NEW BUSINESS

With no objection from Council, Mr. Robbie Metts, Deputy Supervisor, addressed Council pertaining to an upgrade within the Berkeley County Water and Sanitation Authority's Deputy Director of Operations Department. The separation of Operations from the Engineering Department was approved in the 2005-2006 budget. Inadvertently, the additional responsibilities assumed by a secretary was overlooked in the budget, because one position moved to Engineering, leaving one secretary to assume the Deputy Director of Operations clerical duties. Mr. Metts concluded by requesting Council's approval to upgrade this secretarial position to one of an administrative assistant. This upgrade would entail a total amount of \$1,274.01 for the duration of this fiscal year.

It was moved by Council Member Pinckney and seconded by Council Member Charles Davis to approve the upgrade of one secretary to that of an administrative assistant in the Berkeley County Water and Sanitation Authority's Deputy Director of Operations Department for an additional amount in salary of \$1,274.01 through the end of fiscal year 2005-2006. The motion passed by unanimous voice vote of Council.

Without objection from Council, Chairman Rozier stated that Administrative Services, due to the illness of an employee, was in need of one part-time position now, rather than January as reflected in the 2005-2006 budget. To activate the part-time position at this time would necessitate a total of \$5,804.34 from Contingency.

It was moved by Council Member Fish and seconded by Council Member Farley to approve the immediate hiring of one part-time position for Administrative Services, versus January 2006, with the required funds in the amount of \$5,804.34 to come from Contingency. The motion passed by unanimous voice vote of Council.

Chairman Rozier stated there was one resolution, which needed Council's approval.

“RESOLUTION APPROVING FINANCING TERMS FOR VARIOUS EQUIPMENT LEASE PURCHASES NOT TO EXCEED FOUR (4) YEARS.”

It was moved by Council Member Crosby and seconded by Council Member Pinckney to approve the Resolution for Equipment Lease Purchases not to exceed four years and an annual interest rate not to exceed 3.17 percent. The motion passed by unanimous voice vote of Council.

With no objection from Council, Mrs. Marie Wauben, Human Resources Director, addressed Council and explained that due to certain situations that had occurred in the Clerk of Court's Office, the following outlined hiring procedures would be implemented immediately.

- The Human Resources Department will post the position.
- The Human Resources Department will obtain references in writing. If they cannot be obtained in writing, Human Resources will call for references.
- After the position has closed, the Human Resources Department will forward all applications to the Clerk of Court's Office.
- The Clerk of Court's Office will screen the applications and choose who to interview.
- The Clerk of Court's Office will document the reasons for not interviewing certain applicants.
- The Clerk of Court's Office will make an applicant selection and document the reasons for not selecting the other candidates that were interviewed, but not selected.
- The Clerk of Court accepts the responsibility for her office's actions during the screening, interviewing and selection process should a claim arise.
- The Human Resources Department agrees to accept the responsibility for any part of the process that their office conducts.
- The Clerk of Court is expected to follow all applicable State and Federal Laws and agrees to ensure that all applicants selected meet at least the minimum qualifications for the position, including computer test scores.
- The Clerk of Court agrees to report any claims directly to the Legal Department.
- Once the Human Resources Department is presented with the name of a selected candidate, the Human Resources Department will conduct a background check and all necessary medical examinations. If the Human Resources Department discovers a problem, the Clerk of Court's Office will be notified.
- At the time the Human Resources Department receives the applicant selection, the Clerk of Court's Office will return the applications with their EEOC paperwork, which will be filed in the Human Resources Department.
- The process for determining salaries will remain the same.

Council Member Fish asked why the procedures were being changed.

Mrs. Wauben responded that a situation had arisen in the hiring procedure. Mrs. Wauben and the Clerk of Court agreed to come up with a proposal together, in order to accommodate the Clerk of Court's right to hire and accommodate the County's Human Resources Department's system.

Council Member Fish stated that his understanding of the current system is that when there is an opening in the Clerk of Court's Department, the Human Resources Department will post the opening and select a number of qualified candidates from the applications. The Clerk of Court's Department would perform the interviews and select an individual to fill the position.

Mrs. Wauben stated that is the current process, but Mrs. Wauben was advising Council of what was being proposed.

Council Member Steve Davis asked if this policy change would fulfill the interests of both the Clerk of Court's Department and the Human Resources Department.

Mrs. Wauben responded that an elected official has the right to hire who they wish to hire, and the County has personnel policies and procedures it must adhere to.

Council Member Steve Davis questioned the type policy the Sheriff's Department adhered to.

Mrs. Wauben responded that the Sheriff's Department screens its own applications and conducts its own background checks in the hiring of deputies and correctional officers.

Chairman Rozier stated that the Human Resources Department does not accept responsibility for that which it is not involved with (i.e., the Sheriff's Department).

Mrs. Wauben stated that the Sheriff's Department takes its claims directly to the County's Legal Department (rather than to the Human Resources Department).

Chairman Rozier stated that the integrity of the County's policies and procedures are protected with this proposal, because the County's policies are not changed to fit any one particular department.

Chairman Fish stated that whether a claim is against any particular department (i.e., Sheriff) or the Human Resources Department, that claim is still against the County.

No formal action was required of Council. *(A copy of the screening procedures, as approved by the Berkeley County Human Resources Department and the Clerk of Court is attached to these minutes.)*

RESOLUTION**APPROVING FINANCING TERMS FOR VARIOUS EQUIPMENT
LEASE PURCHASES NOT TO EXCEED FOUR (4) YEARS**

WHEREAS, the Berkeley County ("County") has previously determined to undertake a project for Equipment Lease Purchase, and the Director of Procurement has now presented a proposal for the financing of such Project.

NOW, THEREFORE, BE IT RESOLVED, as follows:

1. The County hereby determines to finance the Project through All Points Public Funding, LLC ("All Points") in accordance with the bid proposal closed on July 19, 2005. The amount financed shall not exceed \$1,488,622.00, the annual interest rate (in the absence of default or change in tax status) shall not exceed 3.17%, and the financing term shall not exceed four years from the date of closing.

2. All financing contracts and all related documents for the closing of the financing (the "Financing Documents") shall be consistent with the foregoing terms. All officers and employees of the County are hereby authorized and directed to execute and deliver any Financing Documents, and to take all such further action as they may consider necessary or desirable, to carry out the financing of the Project as contemplated by the proposal and this resolution. The Financing Documents shall include a Financing Agreement and an Escrow Agreement as All Points may request.

3. The Director of Procurement is hereby authorized and directed to hold executed copies of the Financing Documents until the conditions for the delivery of the Financing Documents have been completed to such officer's satisfaction. The Director of Procurement is authorized to approve changes to any Financing Documents previously signed by County officers or employees, provided that such changes shall not

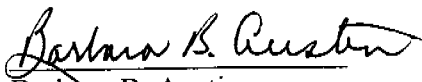

substantially alter the intent of such documents or certificates from the intent expressed in the forms executed by such officers. The Financing Documents shall be in such final form as the Director of Procurement shall approve, with the Director of Procurement's release of any Financing Document for delivery constituting conclusive evidence of such officer's approval of the Document's final form.

4. The County shall not take or omit to take any action the taking or omission of which shall cause its interest payments on this financing to be includable in the gross income for federal income tax purposes or the registered owners of the interest payment obligations. The County hereby designates its obligations to make principal and interest payments under the Financing Documents as "non-qualified exempt obligations" for the purpose of the Internal Revenue Code Section 265(b)3.

5. All prior actions of County officers in furtherance of the purposes of this resolution are hereby ratified, approved, and confirmed. All other resolutions (or parts thereof) in conflict with this resolution are hereby repealed, to the extent of the conflict. This resolution shall take effect immediately.

APPROVED this 25th day of July 2005.
