Wanda,

I also have staffing problems in several of my areas, especially in driver records and financial responsibility. However, I can make a sacrifice in the Biennial section and accommodate you by reassigning Irvin Bryant to the Shop Road office. If Rhonda has no objections, we can talk with Irvin today and ask him to report to Shop Road tomorrow. So that this can be an easy transition, I believe we should refer to this as a special assignment rather than as a permanent move. What's your opinion?

Rhonda and Marcia,
Do you have anything to add?

Thanks,
Annie

Annie,

I really need your HELP! We are short staffed at the Shop Road Office due to turnover at this location. I have moved an employee from the Irmo-Ballentine Office to assist Tom Collison in the Fraud Unit, therefore I'm unable to pull from that office. Do you have anyone in the Columbia area that we could relocate to the Shop Road Office? Shop Road is a very high activity office and constantly in the public eye. I have to monitor the activity and staffing in this office to assure we can provide quality customer service in a timely manner. Please advise me if you can assist me with this staffing problem.

Wanda
