**Subject:** Greetings, and a request

---

Governor – I hope this email finds you well. You may recall we met last year at the Carolina-Georgia football game, and I believe you are aware of the site selection work we do, and the certified sites program we are executing with the Department of Commerce.

I have a request – my son Patrick (who you met at the game) is finishing his senior year at USC in December. He is speaking with the SC Policy Council about a research internship to start in January. Patrick's graduate ambitions (which he will start in the Fall) include public policy and diplomacy, and I am confident he would be a great addition to the Council. If you are comfortable, a word from you to the Council in his favor would be much appreciated.

Thank you Governor for your consideration on this. I look forward to the next time we meet.

Mark M. Sweeney  
Senior Principal
