This is my job in winnsboro. It helps pay my bills and a roof over my family's head. I have a 2 year old daughter and would hate to lose this job being so close to my little girl and if something happens to her I'm there at a drop of a hat. But if Wal-Mart closes then I'm out of a job until and hopefully I get transfered but then I'll be 30 minutes from her. Please keep this one open I mean we are #1 in the district #1 in customer service #1 in everything

We need Walmart, once it closes we will literally have no where to shop. One grocery store, to pharmacies, and Dollar General. Not to mention the unemployment rate here is going to be ridiculously high, its hard getting a job around here, our town is going to die when Walmart closes.

I'm signing this because I travel to Winnsboro on a daily basis and if they close this down then Winnsboro will lose so much. It will be even harder on the people of Winnsboro

I used to live in Winnsboro. I watched this store get built as a little girl. It brought so many opportunities and positivity to our town. I just don't see why you feel the need to shut it down. It will devastate the economy of Winnsboro and Fairfield County. Think of all the people that work there that rely on their jobs. Nothing good will come out of closing this location. Think of all the people you will be affecting by this decision.
