Okay thanks. Do you have Maura's contact? I guess this person is from Ethics Commission, but doing this for DEW. So I want to send the contact to him.

DoA wrote it. Maura Baker is DEW's privacy officer, so she would have been the one who coordinated training there.

Okay. Did you write the content? Or did DOA hand it over? I'm trying to help them find something they can use to create something. If DOA did it then I can let them know that.

Hey Richele,

I can ask Joe to send that to you. Just fyi, the training that I recorded was the privacy basics workshop, created by the Dept of Admin. for use in all of the agencies, so DEW has actually provided this training to their employees, too. Not sure if it is for the same folks or not. You referenced a board, so it may not cover the employees.

Holly – DEW is looking for some training materials for a board. They have to provide 3 ethics hours a year. They reached out for some help on how to fill this – I was hoping to send them your training for our agency that was parceled into three segments?
