Dear Governor Haley:

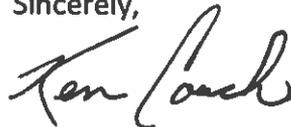

I am honored and humbled by receiving the Order of the Silver Crescent. I appreciate you allowing Representatives Cole and Forrester to present it to me. They are both friends and fellow members of the Rotary Club of Spartanburg, where I was surprised and shocked.

To serve my community and my state has been a privilege since my days in high school. I have been blessed with a family that has allowed me to spend so much time away from them and home.

Thank you for this great honor. I will always cherish this award and your most kind letter.

Also thank you for your efforts to improve our state and move our citizens to a higher station in life. Your leadership was spotlighted in a most positive way during the terrible and the unbelievable horror in Charleston and the devastating floods.

Sincerely,
