Subject: 175 MILE PTSD RIVER CHALLENGE

As most of you know I participated in the first ever 175 Mile PTSD River Challenge. We had 22 combat veterans from Viet

Nam and The Global War on Terror, canoe and kayak from Columbia SC to The Citadel in Charleston SC. 175 Miles, 7 nights, 8 days, three solid days and nights of rain. We came thru it with only blisters, sore backs, and a profound love for our country and each other. Our food providers were great! Several guys intended to lose weight, but the food was so good and plentiful, they got fat!

Our goal was to remember and honor the 22 PTSD Veterans who commit suicide each day and to bring public awareness to this battle.

If you were one of the providers, we thank you. If you prayed for us on the adventure, we thank you. If you want to participate in the next challenge, just let me know. In addition to paddlers, we need pontoon boat drivers and lookouts. We need pontoon boats and a fast boat. We need trucks to pull trailers. We need drivers. We need a porta-potty on a trailer. We need your prayers.

If you think you have a resource we may need, just let me know. Donations are of course welcomed. WE MUST STOP the suicides!
