With more than 140 years of maritime tradition, **Holland America Line** offers classic cruising in destinations worldwide. Its 14 premium ships -- all of which sport a navy blue hull and teak wraparound decks -- are known for impeccable service and engaging onboard programs. For example, the company has partnered with BBC Earth to bring nature-based features like "Alaska in Concert" on board, combining footage from the "Wild Alaska" TV series with live music. The Culinary Arts Center schedules cooking demonstrations and the Digital Workshop offers small-group instruction on high-tech topics.

Our customers can save up to 88% off a Holland America cruise and receive shipboard credits of up to \$600 per cabin. Select sailings also include free gratuities. Past guests may see discounted rates on select sailings. [See dates and prices.](#)

Holland America offers a variety of itineraries in the Caribbean -- you can spend one to three weeks exploring alluring, warm-weather ports this coming winter.

Most of these tropical cruises include a day at Half Moon Cay, the line's private island, where you can enjoy a two-mile beach, surfside cabanas, water sports and horseback riding.

Several Holland America ships will embark on Panama Canal cruises between now and next spring. Choose a partial round-trip transit through this man-made wonder from Fort Lauderdale, or a full transit from Florida or several West Coast cities. Its fleet also sails to Alaska, Europe, Asia, Australia and more.

**Hurtigruten** is known for its expedition voyages to remote locales like Antarctica, Arctic Canada and Norway, Greenland, Iceland and the Amazon, and for its year-round sailings up and down the Norwegian coast.

The line is offering the following money-saving offers.

**Companion saves up to 50%** off the October 29 departure of *Wildlife in South Georgia and Icy Antarctica*.

Today, they transport local residents and cargo and carry international passengers eager to photograph the stunning fjords and explore the picturesque towns. Daily departures are offered year-round from Bergen in the south and Kirkenes in the north, with one-way and round-trip itineraries

available.

**Save 10%** off select sailings in Spitsbergen, a Norwegian island that lies high above the Arctic Circle.
