Business to Business

S.C. labor overeducated for majority of jobs

The "South Carolina Job Skills Gap Update" report says South Carolina has an oversupply of labor with Associate's degrees or higher and an undersupply of jobs that require those levels of education. The report indicates that 62 percent of the workforce state having some college or higher but only 30 percent of the jobs require those levels. Click [here](#) for more.

Low-earnings claim checklist

If your business experiences short-term layoffs, temporary shut downs or vacation periods, you may file a Low Earnings and Partial Pay report. To do so, you can login to [SC Business One Stop](#) and file electronically by using the Low Earnings and Partial Claims report (UCB 114). Review the checklist of items you'll need when filing this report by clicking the link below.

Unemployment hits 15-year low

The state's seasonally adjusted unemployment rate decreased in June to 5.4 percent from 5.6 percent in May, marking its lowest level since July 2001. South Carolina's employment level reached another historic high with 2,185,181, gaining slightly in June as 109 people found work. Click the link below to read more.
