Today online totals are \$9,400 with 18 individual donors and yesterday's totals were \$1,970 total in online donations and 14 donors. Today we had much more sizable donations. Donors were from all over the state and a few out of state.

Thus far we have not seen any donations from the advisory committee. While we received donations in the mail, due to the press conference being yesterday I do not think they were directly associated with the announcement. I'm sure tomorrow will bring quite a few. I'm looking forward to the check from Bob McNair!

I'll update you tomorrow on any physical donations we receive.

Have a great night!

Dana
