Hi Ashton,

We had a meeting this morning and was wondering a few things.

- If our firm put together a private dinner for say 20 couples would the Gov. attend? We have an "ask" into Dabo, Julie Andrews & Andy Garcia. Celebrity chef (James Beard) Todd English would be preparing dinner. The benefit is for a girl named Annabell with a specific cancer that needs a miracle- and that miracle requires funding.
- Would the Gov. have the ability to be the face of the handbag- or could she with her roll as Gov., or would she even have an interest? We could have the proceeds of that benefit the SC ONE FUND.
- Have some questions regarding opening a distribution center for MARIS KELTNER and the benefits of bringing that portion of the business to South Carolina. I am keenly aware of many obstacles in dealing with local government in regards to the Planning and Zoning etc, and wondering how those pathways are being navigated seamlessly.

Would love to discuss further with Gov. Haley should time permit.

Best,
Brad

Hi Ashton,

Please tell Gov. Haley, thank you again for coming! We are honored to have her be the first recipient of the new Premiere Clutch Maris Keltner. We are excited about the launch and hope she can attend the New York Fashion Week in the Fall. I will forward the invitations once released- in case there is an interest!

Warmest Regards
Brad

PS. I attached a picture of myself and the Gov. with our new bag! Additionally, a picture of my buddy Mario Lopez and Gov. Haley. Once he heard she was coming, he jumped on board to participate!
