Good morning! We would really like to bring our kids to do a first day hike and get a sticker to add to last year's! However, due to their ages & health issues, we don't feel comfortable doing a group hike with the current Covid surge. Would it be possible to hike at one of the parks on our own and still get a sticker for them? We did our first last year and didn't realize they were usually guided hikes :) thanks so much!

Do it on your own and send us a photo, and we'll be glad to send you stickers!
