Have you noticed? The red spider lilies are blooming, a true sign of fall. Learn more about this plant in the Redcliffe Southern Times [http://www.southcarolinaparks.com/files/State%20Parks%20Files/Redcliffe%20Plantation/RP\\_Oct%2013.pdf](http://www.southcarolinaparks.com/files/State%20Parks%20Files/Redcliffe%20Plantation/RP_Oct%2013.pdf) or by clicking the image below!

**Nettie Ruth Knotts** I dug some up recently at my old someplace. Got poison sumack too. Scratch scratch
