THRU JAN. 15 at CHESTER STATE PARK -- Bring a tree, Get in free! Come out to play at Chester State Park for free when you bring your live Christmas Tree and help the park in the process. Trees will be ground into mulch and used throughout the park. Select trees will be recycled into fish attractors to create natural habitats in our park lake.

Grinding of the Greens

at Chester State Park

Once Christmas is over, save space in the landfill and better the fishing at Chester State Park by recycling your Christmas tree at the park. Bring your trees for the staff to grind them into mulch to spread throughout the park. Select trees will also be placed in the lake to help create fish habitats.

WHEN   Now through January 15, 2015

WHERE   Bring trees to the Ranger Station

DETAILS   Bring a tree and get in Free!

Recycle your Christmas tree at the park and get free admission for the day. Please make sure to remove the tree from its stand and remove all ornaments and lights.

COME OUT & PLAY
