Subject: Risk Management Insurance Fundamentals eCademy, Sept. 13

What do natural disasters, the sharing economy and an aging population have in common? These are all policy topics where a basic knowledge of risk management and insurance can help state leaders make better policy decisions. In collaboration with The Griffith Insurance Education Foundation, The Council of State Governments will address these topics and more throughout a four-part webinar series designed to provide public policymakers with a greater understanding of risk management insurance through the lens of emerging issues.
