

Dear Governor Haley,

My name is Joseph Lathan Kelly
SCDC #344098 and I am currently incarcerated
serving a 10 year sentence and I will be
released on December 31st, 2018. Since being
incarcerated I have become a certified heavy
equipment operator and I just currently
became a certified welder. My mother passed
on May 30th, 2014 and I am writing in
regards to asking you for help in getting
me transferred to Lenoir Correctional in
Spartanburg, SC and for you to help get
me a job in the Prison Industry there. Their
Prison Industry jobs pay \$7.25 an hour and
that would help me tremendously upon my
release. If there is anyway that you can
help me with employment there it will be
greatly appreciated and you will not be
disappointed in my work ethic. Thanks in
advance for this opportunity.

Sincerely,

Joseph L Kelly
