Hi Katherine!

I was so happy to see Candice at the State of the State and am very thankful that you and the Governor were so gracious to let me show her around a little. She was so honored to be there with the first family and a little in awe, I think of the pomp and circumstance.

On another note, and I hate to be a nag, but I need to know what the format is for the Beaufort High Theater group performance set for February 6? Where/when will it be held and who will be invited? I'd love to have our delegation included and perhaps members of the Education and Public Works Committee? If there is more room, perhaps the Ways and Means members?

I know there is a lot going on but I'd like to make sure to share the date with anyone we can invite so they can get it on their calendar. Thanks so very much!!!

Hi Katherine!

Thanks so much for your help with this fantastic opportunity for our Beaufort High anti-bullying theater team! Can you please share with me what the Governor's vision is of this event? Will she invite guests? Will the members of the General Assembly be invited or would it be for agency heads or possibly community leaders outside of the statehouse? I'd like to assist any way I can, so please let me know how best to serve.

Again, thank you, sincerely, for coordinating this. It means the world to these students to share their message, through their Thespian talents, and to stand up against an issue that means so much to them.

Here if you need me,

Shannon

Hello Katherine,

My name is LaRaine Fess. I met you and the Governor today briefly, and spoke to you both about our anti-bully play, "When You See Something Say Something." We would be so honored if we could perform it for you and Governor Haley in Columbia or here in Beaufort. We can perform the show anywhere because it is a show made for touring. Our goal with this show is to encourage kids to start telling people when it happens. We also demonstrate a way to handle bullying by doing 4 things: Speak Up, Walk Away, Be A friend, and Tell an Adult. The show runs 70 minutes. I have included a snip of a news piece from yesterday.

Here is my contact information. I look forward to talking with you, and assisting you and the governor in this fight against bullying.

Thank you,

LaRaine Fess
