Governor Nikki R. Haley  
1205 Pendleton Street  
Columbia, South Carolina 29201

Dear Governor Haley,

My name is Jan Burdette and I am the School Nurse at TL Hanna High School in Anderson, South Carolina. I have been with our District, Anderson School District 5, for 14 years and at TLH for 10 years.

In October 2014, I submitted my letter of request to serve on the State Board of Nursing along with my curriculum vitae to the Boards and Commissions. I received a confirmation letter from Ms. Katie Philpott to notify me that my letter had been received by the Governor's Office. I really appreciate her taking the time out of her busy schedule to notify me that your office had received my interest in the position. Additionally, I must admit, it was a thrill to see the return address on the envelope when I checked my "mailbox" at work.

In my recent quarterly newspaper, The South Carolina Nurse, I noted that according to it the two Licensed Practical Nurse positions on the State Board of Nursing are still vacant. I wanted to convey to you my sincere interest in this important and worthwhile position. I feel I could bring a wealth of knowledge from a varied nursing background while learning more about nursing in South Carolina. My 22 ½ years as a South Carolina nurse has molded me into the nurse I am today. A nurse who is dedicated, dependable, determined, caring, compassionate, skilled and making a difference in a profession I love and care deeply about.

I would be honored to serve my community, my fellow nurses and my great state of South Carolina on the South Carolina State Board of Nursing. I am attaching my resume for your reference.

Thank you for any and all considerations of me for this position.

Sincerely,

Jan H. Burdette, LPN II  
School Nurse
