Anthony Keck  
Director of SCDHHS  
1801 Main Street  
Columbia, SC 29203

Dear Mr. Keck,

I am writing to request help from your office regarding payment issues we are experiencing with the SC Medicaid Fee for Service product. A little over a year ago we contacted SCDHHS because we were having some problems with the Medicaid MCO products. Your office helped us develop relationships with the right individuals at the MCOs and in the past year the aging balances have resolved significantly. In short, we greatly appreciated the help from you.

Our office has been in contact with Medicaid FFS for help with an aging accounts receivable and we feel as though the response has been less than desired. Currently, we have almost \$250,000 in claims over 120 days old in the Medicaid FFS receivable. We have closely followed the directions from the representatives in our attempts to bring these accounts current but we have not been successful. I am enclosing the accounts we have been unsuccessful in obtaining payment on. As I mentioned earlier, we have made all attempts to follow your staff's instruction in regards to sending records, refiling claims, and sending invoices when requested.

I am requesting your help in further assisting us in this matter. Any help you can offer would be greatly appreciated. The Medicaid patients are important to our practice and we want to continue offering world class cancer care for members of the FFS product.
