Ms. Cooper,

Please see below the email I sent to Ms. Kim Bridges at the Area Agency on Aging in Greenville. I received a call back from Ms. Jardano who is the Director for Caregivers who informed me there was a resource manual online. The Secretary would like to speak to someone in regards to this situation as the couple in question are in their 80's and cannot navigate the web effectively. Any help you can provide - name and contact number for someone who could help these seniors would be appreciated.

Good Afternoon Ms. Bridges,

I am trying to reach out to you on behalf of Secretary of Aging Gloria Lawlah. We have a care giver who resides in Md but whose parents reside in Greenville, SC. One parent has fallen and is need of supportive services ie. assessment of needs, handrails in the house, possibly case management. I have left some voicemails but to no avail. Could you call me at your convenience. I can be reached at 443-473-9228. We would like to inform the caregiver of the available options for her parents.

Thanks
