Subject: FFM Update and new ACA implementation political matter on the horizon

Dear Christian,

I wanted to update you on the progress of the FFM Stakeholder Leadership Group. We are making steady progress on a number of fronts and it would be good to spend a few minutes by phone to discuss it.

Also, there is a new political issue arising that deals with citizen identity theft vulnerability. I think the Governor needs to know about it promptly. I can tell you more when we talk.

Let me know when you are available.

best,

Jim
