---

Any progress on my email below? If yall want to get her confirmed this session, we need her to meet with Senator Alexander privately and then she needs to visit the senators on the LCI Committee before the screening. It's too late for our meeting this week. Our last meeting for the session is May 23.

Senator Alexander would like to meet with Cheryl Stanton privately before he schedules a screening hearing for her. Could the two of you help me facilitate that?
