

The Honorable Nikki R. Haley
Office of the Governor
1205 Pendleton Street
Columbia, South Carolina 29201

February 5, 2016

Dear Governor Haley:

The National Republican Minority Caucus (NRMC) was formed to provide policy development on behalf of all minority-owned businesses and entrepreneurs. Our initial objective is to establish a collaboration of diverse future leaders, specifically young professionals under 30 years old to achieve policy success.

We will focus on establishing young enterprising individuals, enabling them to promote a vigorous modernization and inclusion of minorities in the party. The attraction of economic prosperity and access to the free market will be our tools for inclusion recruitment.

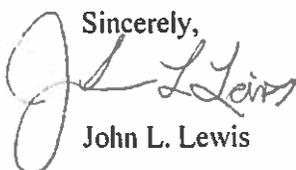

The Minority Economic Policy Forum will be in Spartanburg, South Carolina on February 16, 2016, in partnership with P.U.L.S.E Campaign (www.pulsecampaign.com) and E-Vision Project Development Corporation (DBE).

P.U.L.S.E. Campaign is part of our non-evasive comprehensive strategy to attract minority communities to the Republican Party and stimulate a real discussion of important minority issues. This also provides an opportunity for the candidates to present their policies in a non-partisan environment to the people unfiltered by the media!

We are requesting our governor and party leader in attracting party leaders to attend this HISTORIC EVENT. We have been unsuccessful in our attempts to gain any commitments or support for this event due to the infancy of the NRMC's formation. To be specific, we are requesting the attendance of our South Carolina representatives and Presidential Candidates to attend or submit a policy statement. This will not only show that we are a unified state, but it will send a strong message that we are a party that supports and cares for our minority voters! Your leadership on this issue can be a shining example of empowering minority businesses. There is no better time to support the NRMC.
