Give Thanks and Give Back

TODAY IS THE DAY!

It is officially #GivingTuesday, a day dedicated to supporting local nonprofits!

As you consider how best to make your personal impact today, we hope you will consider supporting Ten at the Top and the Power of 10.

For nearly 10 years, Ten at the Top has convened stakeholders from across our 10 Upstate counties because we believe that we are Stronger Together. Focused around key issues including workforce development & education, transportation & mobility, maintaining our natural resources, ensuring that we are addressing the needs of our most vulnerable residents (children and seniors) and many other critical areas, Ten at the Top has coordinated nearly 800 regional engagements bringing together more than 37,000 participants to work collaboratively to make the Upstate a leading place to live, learn, do business and raise a family.

While individual businesses, organizations and governments all play a critical role in making the Upstate a leading place, it is collectively through the Power of 10, that we can grow our collective capacity and make an even greater impact on issues that are critical to our economic vitality and quality of life.

Similarly, while you may wonder how one contribution can make a difference, it is the collective power of many individual supporters that can help Ten at the Top continue our role as the Upstate's convener. Please consider making a contribution of \$10 or more to help us continue to grow the Power of 10.
