---

Is there anyway to have someone send me that logo? So I can forward it to them.

Good news! The logo with the white letters and white key line around the shield please.

Thanks!

Good news! They are able to produce the shirts on time with all logos. Please review the proof below. Since we are going with a navy blue shirt which RBC logo should we use?

Hi Katherine,

I didn't see an email from you, just wanted to check to see if you still wanted me to look into getting shirts for the event. Let me know!
