**Subject:** Press Conference

Community Activist Jack Logan Founder of Put Down The Guns Now Young People Organization will call for Presidential candidate Donald Trump to drop out of The Presidential Race. The press conference will be held Sunday March 13 2016 at 301 University Ridge in Greenville South Carolina. We will be right in front of the flags. I stand against all violence. With candidate Donald Trump informing people to strike a person or people is violent and disgraceful to the Republican Party. I'm African American I stand against violence. Mr. Trump is dividing people and inciting riots

I also will be asking Federal Authorities to look into Mr Trump as inciting riots. For any person to stand up and say to hit a person I will come get you out by paying a fine is inciting. This type behavior is not needed in this Country and God is not pleased. I ask this media coverage to attend this press conference even if it rain. Mr. Trump need to drop out of the race.
