South Carolina State Parks > Henry McMaster, #BatWeek

at 0:00:01 on 10/28/2021 UTC · 🌐

SC Governor Henry McMaster has proclaimed Oct. 24-31, 2021 -- #BatWeek! Did you know that bats are the **ONLY** flying mammal? SC has 14 species of bat! 70% of bats eat insects. Bats can eat their bodyweight in insects in one night, and bats save farmers \$23 billion every year. Looking for some educational bat activities? Check here: <https://fal.cn/3jncl>

Educate - Bat Week

BAT WEEK OCTOBER 24 – 31, 2021 Bat Week is an annual, international celebration of the role of bats in nature BAT WEEK IS AN ANNUAL, INTERNATIONAL CELEBRATION OF THE ROLE OF BATS IN NATURE Teach and Learn Teaching others about bats is rewarding. If you are an educator, parent, or other bat advocat...

Tye Cobb haha bats weigh about as much as a grasshopper .

Robby Grim Flying squirrels are mammals!

at 12:41:10 on 10/28/2021 UTC

Matthew Green The other 30% live on human blood and turn you into a vampire

at 20:12:21 on 10/28/2021 UTC

The Belmont Inn Thanks for recognizing these misunderstood creatures.

Did you know bats can live a long life and never get sick☐

at 0:24:20 on 10/29/2021 UTC

Christi McElveen Roe Well how about that!

at 0:39:55 on 10/29/2021 UTC

Pete Davis whew !! I thought for a second that Gov Mac was losing it and was recognizing Nancy Pelosi's contributions to mankind.

at 1:50:29 on 10/29/2021 UTC

Cindy Long Pete Davis don't insult the bats

at 1:36:00 on 10/30/2021 UTC

Pete Davis my bad !!!!!!!

at 3:54:58 on 10/30/2021 UTC

Cindy Long ;)
