---

AP Report called Marcia (possibly due to some disgruntled DMV employees) inquiring as to why you (Gene) are serving in dual capacity. Sid and Marcia have talked and Marcia relayed correct response; i.e., the legislature mandated cooperative assistance during DMV's transition period... The Governor's office has been notified.

It has been very quiet this week. I'm staying with a family starting this afternoon and will be leaving the office at 2:30 today and tomorrow; Bonnie is on AL Friday and Monday; Vikki is on AL today. Cliff came into the office for a short while yesterday but he isn't back up to speed. Pat came in for a short while on Monday and came back again yesterday to pack up his office. He looks very rested.

The latest rumor is that DMV is definitely moving to Blythewood....as early as December 10. Do you know anything re this?

It will be nice to have you back in the office next week. Take care. Have a good weekend.
