*easier* **DONE** *than said.*

**WITH ALTOSID® BRIQUETS, DROP ONE AND YOU'RE DONE.**

With the emergence of the Zika virus and the continued threat of West Nile virus you will need easy to apply, effective mosquito control technology. Altosid® XR Briquets make mosquito control easy. The unique ingot design is perfect for applications into sewers and catch basins where mosquitoes breed. The active ingredient, (S)-methoprene, is target-specific with 150 days residual that stops larval development and prevents adult emergence. Mosquito control in your community can be easier done than said with Altosid® larvicide.
