Is there anything better than a warm campfire on a cool night by the lakeside? Calhoun Falls State Park in the Old 96 District Tourism has plenty of lakeside campsites tucked away from the crowd. Come see all the region has to offer: <https://visitold96sc.com/campgrounds-and-state-parks/>

 **Kristi Tempel** Karen Kevin have you looked into this place?

 **Keith Worm Grice** That's a nice place

 **Tom Cole** No longer support Sc parks... now catering to the wealthy instead of the average middle class. I will take my money to other states from now on.

Tiffany Graves Tom Cole, 99% of what the state parks offer cater to the average middle class. Don't be salty because you can't afford the beach mansion.

Tom Cole State parks were not developed to cater to rich mansion lovers. But this is South Carolina, one of the first states to recognize social classifications.

Tom Cole I'm happy, just will not support a private island for the elites, in the state park system. And will fight tooth and nail to turn this into a day use park for all to enjoy.

at 8:56:17 on 10/27/2020 UTC

Tom Cole I'll enjoy national parks from now on.

at 9:04:39 on 10/27/2020 UTC

Tom Cole Judi S. Nesbit I'm sure it was. It's a great life for an average Park Ranger that wants to save the spiders and bats, and enforce some rules and regs . Ensuring the maintenance crews are cleaning and maintaining a presentable impression of the park. Enjoy your state retirement !

Jane Cranford Singh Marykay Ulmer Martin He's referring to the new island that rents for \$12,000 or \$20,000 for five days. I think Ted Turner used to own it.

Tom Cole Ginger Pack I've been at everyone of them. Yes State parks are suppose to be for all Americans. I can get extremely deep into the state parks operations or better yet failure of. It's all for profits which yes they need money but they neglect a tremendous amount of properties. Then they get Ted Turners island .. They just care about keeping the grass cut on the park entrances, and play second fiddle on maintaining the parks. I won't go into it any deeper, because it's the dark side of the parks division. Enjoy the outdoors and be safe.

Marykay Ulmer Martin I absolutely love SC State Parks and relax and enjoy them (with my non-wealthy friends) every time I go. I'm not going to let a decision made by the "system" stop

me from enjoying my outings. I don't let my food get cold by watching someone else's plate, but that's just my opinion.

at 12:52:12 on 10/28/2020 UTC
