John Carroll, Esquire  
Office of the Governor  
Columbia, SC 29202

Dear Mr. Carroll,

March 19, 2014

The purpose of this letter is to clarify pecuniary support for Governor Nikki Haley's reelection campaign. I made a \$3,500 contribution to Governor Haley on March 18, 2013 from my personal checking account. The check, numbered #1824, has both my name and my wife's name at the top left corner and is labeled "household account."

On August 20, 2013, my surgical practice contributed \$1,000 towards Governor Haley's reelection campaign at an event held in Greenville around that time. The donation was written on a check belonging to my surgical practice with my trademarked logo and title, originated from my business account, and was numbered #1503. My wife, an employee of the practice, attended the event in my absentia and arranged the contribution from the practice. As president of the practice, I signed the actual check.

It is my sincere hope that this clarification is adequate and complete. Please let me know if I may be of further assistance in this matter and I greatly appreciate your support during the confirmation process.

Sincerely,

Daniel F. Saad, MD
